Dan Isard, Doug Gober, and Chris Cruger bring on accomplished Accountant to head up their Accounting Services Division.

Phoenix, AZ—November 10, 2020 — “After conducting an extensive nationwide search we are pleased to announce we have hired Mark Kwosek as our Director of Accounting”, said Dan Isard Managing Partner of The Foresight Companies.” Mark brings a solid background and depth of experience, providing top level supervision of accounting services and team leadership.” Isard added.

Chris Cruger, Chief Operating Officer and partner stated, “Our goal was to identify someone who has the skills and aligned with our vision to bring institutional excellence to our accounting services. We have faith that Mark can accomplish that.” As Director of Accounting Mark will supervise our rapidly growing business segment that provides accounting for the funeral and cemetery professions. He will also oversee the internal accounting needs for our company.

“It is very exciting to have the opportunity to work with The Foresight Companies and be a leader in an organization that is so highly respected in the industry. I look forward to utilizing my decades of accounting and leadership successes to support our team and help our clients improve their business. My goal is for The Foresight Companies to continuously elevate the industry standard for Accounting Services.” Kwosek stated.

Mark earned a B.S. in Accounting with a minor in Psychology from Arizona State University. During Mark’s extensive career he worked in Auditing, Public Accounting and Forensic Accounting. He has led accounting departments and teams for more than 10 years. Mark was raised in Chicago but found the weather in Arizona more to his liking. When not working Mark is a car enthusiast, loves playing golf and enjoying the outdoors. Mark can be reached at 602-274-6464 or [mark@theforesightcompanies.com](mailto:mark@theforesightcompanies.com).

The Foresight Companies is a financial and management consulting company that has been a leader in this profession in the areas of accounting, valuation, mergers, acquisition, financing, operations, and human relations for five decades.
